Roamin' with Rodney...

Good Morning and Happy Mother's Day! It is a blessing to be gathered today to worship our God. If you are here visiting with your mother, it is special day to honor her. Abe Lincoln said, "no one is poor who has had a godly mother." I can truly feel and echo the sentiment in that statement. I am sure that today is hard for those who did not have a godly mother or for those who have lost their mother! I am thinking of you in a special way today. As we gather to worship our Creator and God, we thank Him for godly mothers!

This morning we will be looking at a few ladies in the book of Acts, they may or may not have been mothers. Luke had several things to say both positive and negative about the influence of women. We know the value of women to our world today. Unfortunately, we have not always treated women as they deserved and so many things in our society is messed up. Women today are demanding and trying to fill roles they were never created to fill in the first place. Also, when men won't be men, the ladies have proven they will step up and take charge and sadly this has led to many problems in the church, society, and to the core, our homes. Mothers have an undisputed role in the home, with the children, and the spiritual well-being of the family. Our need for women to desire to be godly mothers is growing in each generation. Oprah Winfrey said, "biology is the least of what makes someone a mother." It is not just about being a female who is willing to bear children. We need godly laps for our children to learn and grow in! We need more women who will stand for the truth of the Bible. We need more ladies who understand the God given roles and fulfill their responsibilities to the best of their ability. We need more and more godly women to support their husbands, be loyal to their families, and serve the God of heaven with purity and simplicity. The need is great, and I am confident it can be filled with ladies we have right now, and many young ladies that are being trained and growing up to become a valuable part of the society in this church! A Chinese proverb says, "there is only one pretty child in the world, and I have it." Let us strive to help our children be pretty because of the holiness they possess on the inside!

Happy Mother's Day

You taught me the right from the wrong,
You sat up with me through the nights so long,
On the days when I was sick and bad,
Today, I just want to tell you
Mother, it is only you who understands.
I love you so much.

Rodney Livingston

Youth Events

If there is anyone who is willing to host the youth in their home or plan an event for them somewhere else, please see Shelley Patterson this week.

A MOTHER'S Love

There's no love like a mother's,
Her heart is filled with care.
With Christ as her example,
Her Savior's love she'll share.

A mother's love is endless,
Not changing for all time.
When needed by her children,
A mother's love will shine.

God bless these special mothers,
God bless them every one.
For all their tears and heartaches,
And special work they've done.

When days on earth are over,
A mother's love lives on,
Through many generations,
God's blessings on each one.

Be thankful for our mothers,
Who love with higher love,
From power God has given,
And strength from up above.
